

Manifold Block

Product Features

With solenoid valve, manifold blocks facilitate compact design and manufacture of the complicated air piping.

Model	A	B	C	øD	L1	L2	Applicable Valve(Manufacturer)			
							Sin Young	CKD	SMC	Others
SMB-520	20	44	15	3.4	16N + 8	16N + 18	SV-51	4KA-110	VZ-3120
